Petitioner respectfully submits that the public interest would be served by allocating Channel 233A to Stamford, Texas, as that community's first competing FM service. Stamford is currently served by KVRP AM and KOES FM. Stamford is an incorporated city with a population of 3,213 people as of January 1, 1998 according to the Texas State Data Center. As of March 1999, 261 business establishments in Stamford had been given a credit rating by Dun & Bradstreet. Stamford has its own mayor, Lewis Johnson, its own fire department, its own city hall, its own post office, school district and a number of local churches.

Petition for Rule Making
Stamford, Texas
Page 2

Attached hereto is a channel study confirming that Channel 233A can be allocated to Stamford, Texas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

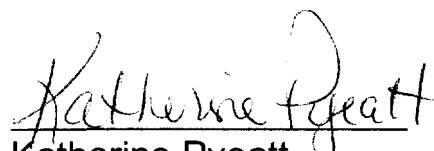

Reference coordinates are:

33 00 57 N
99 47 46 W

Should this petition be granted, and Channel 233A be allotted to Stamford, Texas Petitioner will apply for Channel 233A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

Katherine Pyeatt
